OT AUS NSW PRIVATE PRACTITIONER FOCUS GROUP

Submission re Proposed Supervision Guidelines

Dear Sir/Madam

Thank you for your ongoing provision of information, which is helpful to the profession, and is encouraging participation and discussion.

At the last meeting of this group, it was agreed that a submission be put forward requesting further information about the following:

- Will training be available for supervisors?
- Will support be available for supervisors?
- Are there review plans for future guidelines?
- What would be the consequences of an 'ambivalent' report?
- Confidentiality guidelines and requirements.

Kind regards
Sharyn McGuire
